ACKNOWLEDGEMENT

The satisfaction that accompanies the successful completion of this report would be incomplete without mentioning of the people who made it possible, without whose constant guidance and encouragement would have made efforts go in vain. I consider myself privileged to express gratitude and respect towards all those who guided me throughout the completion of this seminar report.

Firstly, I would like to sincerely thank my guide **Ms. Kamble S. A.** for guiding me regarding this project. My multiple discussions with her were extremely helpful for me. It is my privilege to acknowledge the kind of guidance I received in preparation of this report. I would not be able to prepare this report without her valuable cooperation.

I am grateful to **Mrs. Raule M. B.**, Head of the Department Computer Engineering for giving me the support and encouragement that was necessary for the completion of this project.

I whole heartedly thank to record our sincere gratitude to Management of this college and to my Principal, **Dr. Shiral R. N.**, Principal, Bhagwant Institute of Technology, Barshi for his constant support and encouragement in preparation of this report and for making available library and laboratory facilities needed to prepare this report.

Last but not the least, I wish to thank my parents for financing my studies in this college as well as for constantly encouraging us to learn engineering. Their personal sacrifice in providing this opportunity to learn engineering is gratefully acknowledged.
